

Decimal Commemoratives (Large Format) - the next Five Years.

Thirty-six commemorative sets were issued between the start of 1976 and the end of 1980, involving **140** stamps, of which only **53** are known with Perfins. As with the first five years, the majority of these decimal commemoratives are unknown with a Perfin, and **seven** sets have no Perfin representative at all! Figures correct to **1st January 2019**.

Decimal Commemorative sets from 1976-1980.

1976/01 Telephone Centenary, issued 10th March 1976. {SG997-1000}.
